

Dear Parents and Students<

School is quickly upon us: Wednesday, August 19th. I am excited that we are able to start without too many scheduling changes. One change however is our start time will be at **9:00** a.m.

- Busses will run exactly one hour later than last year. Please call Harlow Transportation (406) 587-2015 for questions and bus stop times.
- Students riding the morning shuttle busses will need to be dropped off at the school between 8:30 and 8:40 a.m. (Clyde Park and Wilsall)
- Students not riding the shuttle should be dropped off between 8:40 and 8:50 a.m. Students riding the busses will be asked to wear a face-covering when there are more than 10 students on the bus.
- All students on shuttle busses must wear a face covering while on the bus.
- Wilsall drop-offs: Parents are asked to drop their children off at the north end of the White build entering from Ordway Street and Exiting onto Hannaford Street. **Please do not drop your child off in the parking lot.**
- All students will be required to wear face coverings upon entering the building and until the teacher otherwise directs them.
- Parents who need to turn in paperwork are encouraged to call the front office and make an appointment or arrangements. (unfortunately, folks may have to wait outside until space is available in the office areas for business matters).
- We are going to limit parents and visitors entering the building to necessary business only. Current mandates do not allow parents to escort their children into the buildings. Please drop your child off and move on.

Thank you for your patience. There is going to be some trial and error to see how our new systems work. We will strive to develop a system that accommodates positive, healthy practices for your children. Please bear with us.

Sincerely,

Danny L. Johnston
Superintendent
