

Head Volleyball Position:

The Shields Valley School District is looking for qualified applicants with high school or college volleyball coaching and playing experience for the Varsity Head Volleyball Coach position for the 2021-22 school year. Season runs August 12-November 13, 2021. Highly motivated candidates possessing strong leadership and communication skills are encouraged to apply. The Head Coach will have responsibility for all aspects of the program, including mentorship and oversight of the assistant (JV) coach, and be the face of Lady Rebel Volleyball, providing leadership in the ongoing development, growth, and improvement of the program from grades 6-12. The Head Coach will execute effective teaching and coaching techniques to help the athletes optimize their athletic skill, attitude, and effort, and be expected to build success in the program. The Head Coach will also constructively collaborate with students and parents in a positive spirit; display and promote sportsmanship and citizenship; and demonstrate a commitment to the mission and philosophy of Shields Valley Schools, while following the rules set forth by the Montana High School Association.

Primary responsibilities include, but are not limited to:

- Serve as an inspirational leader and positive role model.
- Draw from a strong volleyball working knowledge to plan and facilitate daily, meaningful practices, and execute effective teaching/coaching techniques during training sessions and matches.
- Oversee the direction of the Rebel volleyball program for the Varsity, JV and Junior High teams in collaboration with the AD, JV and Middle School coaches.
- Coordinate out-of-season and summer activities and training for student-athletes in program and recommend/develop enrichment opportunities for all grades.
- Pursue professional growth opportunities and set course of action for development and training of all coaches in the program (grades 6-12).

Requirements:

- Experience playing or coaching volleyball at the high school, collegiate or club levels. Head coaching experience and coaching certification preferred.
- Experience successfully instructing high school-aged students.
- Excellent interpersonal and motivational skills.
- Strong ability to teach students with a wide range of athletic and volleyball skills and experience levels.
- Demonstrated ability to constructively collaborate with colleagues.
- Complete the NFHS Fundamentals of Coaching course and Concussion course.
- Maintain both First Aid and CPR Certification.
