School immunization requirements are detailed in Montana Code Annotated 20-5-403. Administrative Rules of Montana require immunizations to be recorded on the "Certificate of Immunization (HES-101)" as out lined in ARM 37.114.708. The HES-101 must be supported by adequate documentation as defined in ARM 37.114.703. State law requires the HES-101 to follow the pupil from school to school. Within 30 days after a transferring pupil ceases attendance at the school of origin, the school shall retain a certified copy for the permanent record and send the original immunization records for the pupil to the school district to which the pupil transfers.
